

Tesco `Computers for Schools' Tokens

Many thanks to the many people who donated Tesco tokens to the school. We received over 5000 tokens, which will enable us to receive two digital cameras for the children to use as part of their ICT work.

Friends

Over the last two years, with your support the Friends have raised over £4000 to boost the school's funds. I have requested a large donation from the Friends to help purchase an urgently needed air conditioning system for the ICT room. Further purchases will include a `mini golf' set to enable the children to develop their golfing skills. I wish to thank the Friends and their supporters for these generous donations and their continuing support.

The next `Friends' events are the children's discos arranged for

Friday 18th June. The arrangements are as usual:

Yrs 3 & 4: 6.00 - 7.30 pm
Yrs 5 & 6: 7.45 - 9.15 pm

Tickets cost £2 including refreshments. They will be available from the school office from Monday 14th June.

Ofsted Inspection

I am pleased to confirm that the full report of the school's recent Ofsted Inspection is now available on the Ofsted web site at www.ofsted.gov.uk

Music Concert

Congratulations to all the children who participated in the music concert held during the week before half term. It proved to be a most pleasurable evening, well supported by family members. My thanks to Mrs Rewse, Mrs Blackwood and others members of staff for

preparing the children so well.

We now look forward to the choir's production of `Joseph and his Amazing Technicolour Dream Coat' in July. (More details to follow)

Sporting Success

Congratulations to the school's netball team for winning the local area school's `High Five' tournament. This has really proved to be another very successful sporting year for the children.

New Accommodation

The new accommodation being constructed adjoining the Year 3 block has now been completed. The project has provided improved toilet and cloakroom facilities and two new teaching areas. The new `classrooms' will provide much needed areas for small group teaching, such as peripatetic music and special needs groups.

Year 6 on CBBC!

Last month, the children in Year 6 took part in the recording of the Children's BBC programme 'Xchange'. This involved a dancing competition for both pupils and staff! The programmes are being broadcast this week on CBBC!

Sunshine!!

During the next few weeks when we hope the sun will continue to shine, we would like the children to wear sunhats if possible. They may also bring a drink of water to school, preferably in a small plastic bottle. Sun screen may be worn, but staff cannot apply any lotions or creams.

The school's annual Summer Fayre is coming!! Friday 2nd July 5.30 - 7.30 pm. Further details to follow.
